**ART 57 CAPITAL BUDGET:** Finance SubCom (Foskett) recommended the budget as detailed on p11 of the handout dated 3/15/04. O'Neill reported on his discussion w/ Ryan of the upgrade of the dispatch center & emergency operation center. He recommended support. 90% of the funds will go to the dispatch center. After some discussion VOTED \$7,007,130 Unanimous.

**BUD 17d COMMUNITY SAFETY SUPPORT SERVICES:** Public Safety SubCom (O'Neill) requested reconsideration in order to increase budget to fund training of dispatchers to qualify as emergency medical dispatchers. The 4 to 5 wk training would require overtime increase to provide coverage. During discussion, opponents stated that this was a poor time to add services. A motion to reduce the fire service budget by a comparable amount was made. VOTED an increase of \$25,560 for overtime and \$2,975 for training for a total of \$28,535. 9-4. VOTED not to reduce the fire service budget by \$28,535. 9-4. The second vote will increase the deficit.

**BUD 2 BOS:** The Central Govt SubCom (DuBois) recommended a corrected budget that would not reduce the number of polling places until the local election in 4/05. VOTED \$346,565 Unanimous.

**BUD 19 EDUCATION:** The Education SubCom (Fanning) provided copies of the School Committee's recommended budget. This budget contains raises while the other budgets do not. Members stated that all Town workers should be treated equally. After some discussion, VOTED to move \$1,291,025 to the collective bargaining article (ART 72) and to recommend \$31,141,587 for BUD 19. 11-2.

**BUD 26 RESERVE FUND** The Chair recommended a reduction to the FY03 level since there is less uncertainty in FY05 than FY04. VOTED \$300,000 Unanimous.

**BUDGET & REVENUE TASK FORCE:** The Chair reported on the mtg held at 6:00 and provided copies of the Manager's budget update letter to the BOS. The letter includes revenue increases of \$1.35m, partly through less conservative projections and partly by greater use of the Stabilization Fund. This fund would be restored by action under ART 44 assuming State approval of transfer from the Bldg Insurance Fund. The letter also includes \$150k reduction in expenses also by taking a less conservative approach. The resulting deficit is \$2.276m. The task force discussed balancing the budget w/ an override, or a trash fee, or further cuts. FinCom members suggested that these cuts might include the pay raise reserve. Howard to request the supporters of the trash fee article to have figures ready for the FinCom mtg on 4/14.

**COMMITTEE:** No mto on 4/5. 4/10.

**RESERVE FUND BALANCE \$386,600**
